The Redevelopment of Contaminated Lands and Community Revitalization

September 23, 2010 1:00 - 5:00 PM

An Introduction to Brownfields Redevelopment in Washington

About the Workshop: This half-day interactive workshop will provide participants with an overview of the cleanup and redevelopment process to assist with Brownfield redevelopment projects. Topics include: keys to success, liability and risk management tools, property valuation, the cleanup process, funding sources, integrated planning and case studies.

Who Should Attend: Local government, lenders, real estate professionals, developers, and citizens in Eastern Washington

Cost: Complimentary! But space is limited.

RSVP by September 9

Date/Location: September 23, 1:00-5:00 PM

CenterPlace, at Mirabeau Point Park.
